

~Fellowship Application~

Glitter Camp is the annual Organizational Retreat for Stonewall Youth. In attendance are LGBTQIA2S+ youth 12-21 years old, staff members, and Fellows. At camp, there will be youth-led workshops, an open mic, free time, plenty of great food, opportunities for nature walks, storytelling, and sitting by a cozy fire. We spend some time visioning Stonewall's future programs, as well as engaging in community building, anti-oppression, and self-care centered activities. [Click here for more info info about Glitter Camp.](#)

Glitter Camp Fellows will assist youth staff members with workshops and other camp activities. You'll be eating meals and sleeping in the same rooms as youth participants, and you need to stay for the entire camp (4 days and 3 nights), unless there's an emergency and you have to leave. If you want to lead an activity for youth, we'll assist you to make it happen! Camp definitely won't be all work and no play for Fellows - we'll make sure that you have time off to participate in some activities and just hang out!

Camp is free of charge for you and you'll receive a stipend of \$600. Glitter Camp Fellows will receive \$600 for their work at Glitter Camp. If you need to leave for an emergency before camp ends, we will either pay you the entire stipend or pro-rate your stipend to pay you for the time you were at camp.

We will leave Stonewall at 3pm on Monday, August 21st, and return to the Stonewall building at 3pm on Thursday, August 24th. Glitter Camp takes place at the Sound View Camp and Retreat Center, in the Calvinwood building. This year, Glitter Camp will take place at Camp Solomon Schechter at the Stampfer Retreat Center. This is the first time we will be at this location, and we could not be more thrilled! Camp Solomon Schechter is ADA accessible, the beach is located down a steep hill that includes ADA pathways with handrails. Solomon Schechter is a Jewish conference center, there are religious and political decorations around the site. If this is an issue for you/you would like to talk more about this please reach out to Ia, ia@stonewallyouth.org. More information on Camp Solomon Schechter ---- can be found here: [Stampfer Retreat Center – at Camp Solomon Schechter](#)

Solomon Shecter is a kosher and nut-free facility. We ask that you please respect this and do not bring outside food. The camp will provide meals and we will have plenty of snacks. If you have any snack requests, let us know and we'll do our best to provide them!

Fellowships are a way for current or prospective youth participants to get even more involved in Stonewall Youth. Fellowships offer a paid opportunity for youth to get job experience, get involved in a local non profit, and help support their peers and community.

*If you are accepted as a Fellow, you'll need to also fill out the Glitter Camp application and Permission slip that all attendees fill out. If you are age 18+, you can sign the permission slip yourself. If you are under age 18, you need to get your parent/guardian to sign it. [The application and permission slip are on our website](#), but **you don't need to fill it out until you're hired as a Fellow.***

In order to create a safer Glitter Camp, proof of vaccination will be required and we will be using rapid COVID-19 tests before we leave for camp and after we leave camp. More information about our safety protocols can be seen in our permission slip. If you have any questions or considerations, please feel free to contact Ia, ia@stonewallyouth.org

**Please answer the following questions:**

- 1. What leadership or group experiences have you had that will help you to be a good Glitter Camp Fellow? What do you want us to know about you?** The “experiences” you write about can be things you’ve done at school, work, camp, clubs you’ve been a part of, volunteer work, theater, art classes, or any other place.

2. **Tell us two ideas you have for activities we could do at camp.** You are not required to lead a camp activity, but we'd love to hear your ideas as a way to get to know you! The activities you come up with for this question should last at least five minutes and no longer than one hour. The activity could be for a small group (five or so) or for the whole group (about 17).

For each activity idea, please write a few sentences describing the activity and why you like it. Include this info: the number of youth you want to participate in the activity, how long the activity will last, and some or all of the materials you will need for this activity.
